

## CLUB CHAMPIONSHIP SHOW

I was greeted at the show by Andrew and the Chairman and his wife – Mr & Mrs Savage. They made me feel very welcome and their hospitality was very good

It was unfortunate that Colin could not fulfil his engagement but I was pleased to be able to help by bringing forward my 2010 appointment and so enable Colin to Judge next year. We all wish Colin a speedy recovery. My first appointment to judge P.M.D.'s at Championship level was in 1982. P.M.D.'s are one of my favourite breeds. They have such wonderful temperaments and the exhibitors are always so friendly and are always pleased to see you.

In the years since I became interested in the breed – In my opinion, they have improved in so many ways. Presentation of most of the exhibits at the show was excellent.

It was interesting to see that the Dog C.C. winner was the sire of the Res. Dog. C.C. The bitch C.C. winner was out of the Res Bitch C.C. winner. The first three in Minor Puppy were out of the same litter and the winner of five firsts in the bitch classes was by the Dog C.C. winner.
