

WELKS - Pyrenean Mountain Dog

Junior Dog - 1

1st - KALKASI FIELDS OF GOLD - 12 month male with a good head, dark eye, good body shape, width & depth of ribcage, good angles in front & moderate behind. Moved well in profile but needing to tighten in front.

Post Graduate Dog - 3

1st - KRICARNO KONSTELLATION AT PYRAJAY - 2 year old male I watched in a puppy walk with six other of his litter mates, I was very pleased to see how he developed. Good head with small triangular ears, good angles front & rear, deep long ribcage moved freely in profile just needing to tighten in front.

2nd - JUMICAR ICE WARRIOR - 3 year old male with a good head & body shape. Good angles front & rear just needing to tighten in front & not too enthusiastic on the move.

3rd - KALKASI FIELDS OF GOLD.

Open Dog - 4

I thought all four of these exhibits were of good quality, good breed type & sound.

1st - CH VI' SKALY'S MY WAY OR NO WAY TO CHANDLIMORE (IMP SWE) - 3 year old male presented in pristine condition. Good head & dark eye. Good deep, long ribcage & body shape. Good front & rear angles, moving soundly both out & back & in profile holding his backline on the move - Best Dog & Best Of Breed

2nd - CHARIBERE SIMPLY MAGIC AT CHEZANNA JW SHCM - 3 year old male with a good head & straight front legs. Deep, long ribcage just a fraction longer in loin. Good angles front & rear & moved freely - Reserve Best Dog

3rd - LISJOVIA BORIS BEAR AT DARMAROR JW SHCM.

4th - PYRBERN BLOND LYNX.
