### **Three Counties**

#### **PYRENEAN MOUNTAIN DOG**

Thank you so much to the exhibitors for a lovely entry. I felt some of the dogs to be lacking in size and substance. One dog would have been placed higher but sadly showed signs of an eye infection. Most exhibits were understandably out of coat so I allowed for this. I was pleased with my main winners and lovely to see my Best of Breed go Group Two.

JD (1) 1 Dickson's Kalkasi Fields Of Gold. 14 mths old. Good head maturing nicely, moderate stop, lovely dark eye. Good depth of chest but at present a little narrow in front which hopefully will improve with maturity. Movement hard to assess as he was very stubborn, refusing to move, when he did he was ok and carried his tail well.

PGD (3) I liked both these dogs and it was a close decision. 1 Carter's Jumicar Ice Warrior (RBOB). 4 yr old, sound compact dog with lovely head and sweetest expression. Nice tight eye of correct shape and medium length muzzle with well filled foreface. Good body with correct angulation and topline, shown in good coat and condition, moved true coming and going. Res. Best Dog. 2 Thorne's Kricarno Konstellation At Pyrajay. 2 yr old who has a lot of promise. Good head and expression, slightly longer in the muzzle than my first dog and not yet matured in head. Nice body coming, just needs time. Moved well.

OD (4, 2) 1 Nagrecha, Mattisson-Sandstrom & Sandstrom's Ch Viskalys My Way Or No Way To Chandlimore (Imp). Nice size dog who stands out for his beautiful presentation. Good bone and balance. Adequate head with slight stop and clean muzzle, lovely eye and expression, nice depth of chest and stands square, moved effortlessly round the ring. Best Dog and BOB. 2 Maggs Viskalys's In The Fast Lane Of Dewyche. Very different head to my first dog despite being litter brother. Nice size and bone. Nice dark eye giving very gentle expression well bodied and presented well, movement sound and handled well.

JB (2) 1 Haley's Kalkasi Blue Moon At Mistymia. 14 mths old and at that teenage stage, who, I am sure, will look totally different in six months. Very feminine bitch with a dark eye, very strong pigment throughout. Ok for size and movement, look forward to seeing her with a coat and a little maturity.

PGB (5) 1 Kennedy's Shaungxi Mopsa Kai En Hui. Very feminine, correct eye and lovely gentle expression, good bone, topline and rear angulation, best mover in the class on the day, would like to see her in coat. Res Best Bitch. 2 Cochrane's Pyroni Colours Of The Wind For Myatoski. Only just out of junior so a way to go to finish. Smaller bitch with very elegant head, would like a tad more neck but nicely constructed, adequate angulation and covered the ground well. One of the few in good coat.

OB (3, 2) 1 Thorne's Balshanmish Pretty In Pink At Pyrajay ShCM. Lovely 4 yr old in excellent coat and condition. Feminine head with lovely eye giving correct expression, slight stop, strong clean muzzle, strong neck and good shoulders, strong back and topline with good rump. Neat feet. Moved out well back and forward, happy to award her Best Bitch and Res Best of Breed, well deserved.
