PMDC GB

PYRENEAN MOUNTAIN DOG

Open show: Thankyou to the PMDC of GB for inviting me to judge. Also a big thank you to Kathy Maggs and Les Ingram for making me so welcome. The weather was not the best for this beautiful breed temperature way to hot for the breed. A big thank you to Sandra for making sure that all dogs were being looked after well in the heat of the day. Thank you to Steve my steward on the day. **V** (1) 1 Pollard's Ch Gillandant Rockafella JW Sh CM. A beautiful dog at nearly 9yrs old beautifully presented in full coat, a credit to the breeder. Wonderful head with a lovely soft expression. Flowed around the ring not looking nearly 9, what's not to like about this boy. Best Veteran in show Res Best dog & Res Best in Show. **MP** (5,1) 1 Garrett's Febus Jumilhac (AI). A very nice 6 and a half mth old bitch, dark pigment and a pleasing head, a very well balance puppy for its age moved well around the ring. 2 Fieldhouse Pyrenvale Chaney a very different type to my winner of this class much finer head and body, very much a baby. Best Puppy Dog & BOS puppy. 3 Fieldhouse Pyrenvale Camile. 4 Maidment Pyrenvale Catrinetta. **PD** (1) 1 Fieldhouse Pyrenvale Chaney. **JD** (1) 1 Edwards Shanlimore Lorenzo, lovely head with nice dark pigment and correct eye placement. At just 14 mths old looks like he has gone through a growing spurt, so just needs to body up but a very nice boy moved well around the ring, well handled. **YD** (1) 1 Edwards Shanlimore Lorenzo. **PGD** (4,2) 1 Thorne's Kricarno Konstellation at Pyrajay, sadly out of coat. This boy had a very good pigment with well set eyes and ears, again another that will need time to mature, but overall a nice boy who moved well around the ring. 2 Carters Jumicar Ice Warrior, this boy had a beautiful coat so much to like about this boy, lovely dark pigment, nice level top line on another day these could change places. I think the heat was a bit too much as just lost out to 1 on movement on the day which as a shame. **LD** (3,1) 1 Holmes Lisjovia Estevez JW Sh CM, a well presented boy very masculine head with nice dark pigment, strong level back with good length of rib. Moved well around the ring was a hard choice for the challenge of Best dog, but his brother just piped him on movement but one to watch for the future. 2 Thomas Shireoak Snow Patrol, lovely blaireau boy dark pigment, over all pleasing head, not quite the body of my winner and would of like a little more angulation, moved well around the ring over all nice boy. **OD** (4) 1 Riley's Lisjovia Boris Bear at Darmaror JW ShCM. Such a well balanced dog for just 2 yrs old. Tall boy nice shoulder placement, a very masculine head but not over done. Beautiful top line and loved to see him move around the ring with no effort at all, so nice to see a dog using its tail so well he loved to show himself of this won him the Best Dog and Best in Show. 2 Spiers Ch Belshamish Yellow River, a beautiful turned out boy, masculine head with good depth muzzle but slightly loose flews, beautiful dark pigment. Moved around the ring well but my winner of the class had the edge but another day could change places. 3 Grennfields Ch Gillandant Shakeelah. 4 Thomas's Shireoaks Snow Patrol. **PB** (4) 1 Downs Febus Fleurac (AI). A beautiful puppy at just 6 and a half mths litter sister to winner of minor puppy, good overall head shape with nice dark pigment and eye colour and shape, so well balanced for one so you I feel this young lady will have a very good futur, she moved so well around the ring she gave me a hard decision in the challenge for Best Bitch. BPB and BP in show. 2 Garretts Febus Jumilhac (AI). 3 Fieldhouse Pyrenvale Camile. 4 Maidment Pyrenvale Catrinetta. **JB** (2) 1 Edwards Shanlimore Raffaella. Blaireau marked bitch with nice dark pigment good eye colour and shape good overall head shape very feminine. Moved well around the ring another hard choice in the challenge for a Best Bitch, just felt on the day moved a bit better than my Res Best bitch by the time of this class it was very hot for all dogs. Best Bitch and BOS. 2 Veals Shanlimore Luciana at Jojims, litter sister to 1 correct head shape with dark pigment similar to her sister topline not as good as 1 but at this age still growing. She took time to settle down when moving around the ring so was hard to judge her full movement which was a shame but two nice bitches. **YB** (4,1) 1 Edwards Shanlimore Raffaella. 2 Veals Shanlimore Luciana at Jojims. 3 Goodwins Lisjovia Blind Faith. **NB** (2) 1 Downs Febus Fleurac (AI). 2 Goodwin's Lisjovia Blind Faith This bitch sister to my BOB. Nice dark pigment would of liked a tighter eye and tighter flews. This bitch hadn't got the nice level top line of 1 and not as balanced on the the move. **UGB** (3) 1 Downs Febus Fleurac (AI). 2 Veals Shanlimore Luciana at Jojims. 3 Goodwins Lisjovia Blind Faith. **LB** (4,2) 1 Holmes Lisjovia Emilio, another litter sister to my BOB A lovely tall bitch, soft expression, with dark pigment and correct head. A very balanced bitch with a beautiful outline. Well presented as all the dogs shown from this kennel. My Res Best Bitch just felt she didn't move so well on the challenge as she did as the class winner but I think she will have a great future in the show ring liked her a lot. RBB. 2 Bamford & Church Lisjovia Keep The Faith For Pafaxin these 2 litter sisters. This bitch slightly smaller the 1 but has the same attributes as my winner, these could change places at times just her sister had the edge on the day on the movement. **OB** (4,2) 1 Thorne's Ch Belshamish Pretty In Pink At Pyrejay, a beautifully turned out bitch with beautiful pigment for a polar white bitch, she has such a lovely soft expression, well balance moved well in class but ago had a hard decision on the challenge as the day went on it got very hot and I think on another day my top winners could all of changed places. 2 Dunks' Ch Bursville Summer Zizianna With Zalute JW. Beautiful blaireau bitch, excellent head with correct eye and ear placement and nice dark pigment. Well balanced bitch and nice level top line, just on the move seemed to not have her sparkle, again maybe it was to hot, but that's not to take away from being a nice bitch, these two could again change places and two well deserved champions. **SP BEG** (3) 1 Garrett's Febus Jumilhac (AI). 2 Veals Shanlimore Luciana At Jojims. 3 Goodwins Lisjovia Blind Faith. **BRACE** (2,1) 1 Holmes', what a beautiful brace two lovely matched dogs moved so well together a credit to the breeder.
