**PYRENEAN MOUNTAIN DOG**

BOB Baverstock's Kalkasi Expect To Be A Star. DCC Lewis' Idris Du Pyrdanti. RDCC Holmes' Lisjovia Estevez JW ShCM. BCC Baverstock's Kalkasi Expect To Be A Star. RBCC Kenyon, Ward & Bermingham's Ch Charibere Simply A Dream At Chezanna JW. BP Tadd's Kricarno Katchmeifyoukan. I never thought I would have to write this about my breed. We have lost size, bone, rear angulation and they are so narrow.

PGD (4,1) 1 Thorne's Kricarno Konstellation At Pyrajay. This boy has matured on to be a good looking male in outline. I just wish he wasn't quite so narrow, he stands tall with front legs close together and well arched feet turned slightly out. Attractive head with dark almond eyes, defined stop strong pigment tight lips. Good coat in good condition throughout. Looked good on the move. 2 Davies' Charibere Supersonic. Handsome head with dark eyes, strong body good bone, front a tad narrow, could do with a little more rear angulation, would prefer a little more length of leg, moved out steadily. LD (2) 1 Holmes' Lisjovia Estevez JW ShCM. Tall strong male with broad all-round angulation, strong topline, arched feet, handsome head, may be a tad heavy with tight lips and excellent pigment, plenty of substance and good construction, moved out soundly and steadily. 2 Baverstock's Kalkasi Expect Only The Best, gentle expression with dark eyes and well set ears, lips a little slack, a tad narrow in front, topline could be stronger, pleasing rounded croup, good depth of body ribbed well back and good rear angulation, moved out easily.

OD (4) 1 Lewis' Idris Du Pyrdanti. Just love this boy, I have watched him mature over the years and it's so nice to see him out today, he has matured on to be a fine dog, he has the most beautiful head with excellent pigment and lovely dark eyes, such a quality boy, he moved out easily. Unfortunately in the challenge for best of breed he did not win. 2 Kenyon, Ward & Bermingham's Charibere Simply Magic At Chezanna JW ShCM. Another impressive male, to me a tad long in body, super bone and fabulous tight feet, good depth of body, plenty of substance with strong topline with pleasing angulation front and rear, well set tail, moved out easily. 3 Reilly's Lisjovia Boris Bear At Darmaror JW ShCM.

PB (4) 1 Tadd's Kricarno Katchmeifyoukan. Young girl of six months, love her feminine gentle head, white with lovely black pigment, pleasing front topline, a tad soft with moderate angulation, good tail set and carriage, tight arched feet and plenty of bone for size. Moved out with drive. 2 Downes' Febus Fleurac (ai), very pretty girl with dark eyes obliquely set, good reach of neck, tad narrow in front, plenty of depth to body, level topline rising over the loin, arched feet, rear a little stilted during her steady movement. Well set tail. Lacking in coat. 3 Fergus' Gypsinella Belle Montagnes.

PGB (3,1) 1 Fergus' Daveangel Reddest Ruby. Well constructed girl with lovely angulation, tight knuckled feet, good depth of body, strong topline, rounded croup. Such a pretty girl with lovely dark almond eyes, well set ears and tight lips but she has the saddest of expressions. Could have been better presented, moved out steadily. 2 Duffell's Ricaduffal Rock Star. Another attractive girl with

dark eyes, good pigment pleasing ear set, nice straight front and tight arched feet, strong topline, rounded croup a little straight in upper thigh giving a stilted appearance. Lovely coat colour.

LB (5,1) 1 Baverstock's Kalkasi Expect To Be A Star. Just love this girl, such quality with her gentle feminine expression, dark obliquely set eyes, gentle stop tight lips and super pigment. With pleasing angulation front and rear and being so well constructed her outline just flowed. She moved out gracefully looking the part. 2 Holmes' Lisjovia Emilio. Very well solidly made female, her head whilst being feminine is maybe a tad heavy with super bone and tight feet, pleasing all-round angulation, strong topline and rounded croup, she moved out steadily. 3 Waters' Sketrick Purdita (ai).

OB (6) 1 Kenyon, Ward & Bermingham's Ch Charibere Simply A Dream At Chezanna JW. A good honest soundly constructed girl with a feminine head, dark eyes and pigment, tight lips. With super tight arched feet, just getting her coat back, in lovely condition and moved out easily. 2 Baverstock's Kalkasi Moonlite Mist. This girl had a really pleasing outline and just loved her head with a dark obliquely set eyes, black pigment tight lips, well set ears, well constructed body with strong quarters and well set tail. She looked good on the move. 3 Thorne's Ch Belshanmish Pretty In Pink At Pyrajay Sh.CM.
