**PYRENEAN MOUNTAIN DOG**

PD (2,1) 1 Keith's Charibere My Sweet Lord At Beverlenn. 10 mths, of good size. Strong head in balance with body. Well proportioned skull and strong muzzle with very slight stop. Dark well set eyes with black tight eyelids. Well set ears. Good mouth and dentition. Clean in neck. Medium angulation to forequarters. Chest deep but needs to develop more width. Back broad and a little bum high. Rear quarters developing well with moderate angulation. Short feet. Good length of tail. Moved well once settled. BP.

PGD (2,1) 1 Flounders' Gillandant Spirit Of Xmas At Lakamoni. Two and a half yrs white with wolf-grey patches. Good proportions to head with dark clean eyes and well set ears. Good mouth. Sufficient depth and width to chest with moderate angulation to front and rear quarters. Straight in back. Moved freely showing power.

OD (5,1) 1 Holmes' Lisjovia Estevez JW ShCh. Impressive well balanced 2 yr old. Strong masculine head in proportion with well developed body. Skull of good width, well filled out below expressive dark eyes with black rims. Muzzle strong and of medium length. Well set small ears lying flat. Good mouth and dentition with good pigment to close fitting lips. Strong clean neck. Good shoulder placement with well boned forelegs. Chest deep with good ribcage. Broad straight back and muscular loins. Medium angulation to muscular hindquarters. Compact feet. Good tail carriage. Shown in good coat. Moved well showing good drive. BD & BOB. 2 Reilly's Lisjovia Boris Bear At Darmaror. 2 yrs. Another quality exhibit, litter brother to first losing out only on maturity. Strong well proportioned masculine head in balance with powerful body. Skull length and width almost equal with good filling under eyes. Slight slope to stop and strong muzzle. Dark oval eyes with pleasing expression. Well set triangular ears lying flat. Good mouth and dentition. Strong neck. Moderate angulation to strong forequarters with good bone to forelegs. Chest deep to just below elbow. Straight back and slight slope to rump. Well set tail. Sufficient angulation to muscular hindquarters. Moved freely exhibiting good drive. RBD. 3 Nagrecha, Mattisson-Sandstrom & Sandstrom's Ch Viskalys My Way Or No Way To Chandlimore (Imp).

PGB (3,1) 1 Flounders' Sketrick Papagena At Lakamoni (ai). 21 mths. Good balance between feminine head and up to size body. Sufficient width to skull and strong muzzle. Well filled out below eyes. Slight slope to stop. Dark amber eyes with intelligent expression. Black tight rims. Well set ears not to large and lying close. Good mouth and dentition with well pigmented lips. Medium angulation to forequarters with sufficient bone to straight forelegs. Chest of good depth and back straight. Muscular loins and well muscled thighs. Moderate angulation to hindquarters and compact feet. Well set tail. Moved well with powerful drive. BB. 2 Kennedy's Shuangxi Mopsa Kai En Hui. 2 yrs. Feminine head of good proportions. Muzzle strong with good pigment to close fitting lips. Clean eyes with black rims. Well set ears. Preferred the lay of shoulders on first. Sufficient bone and muscle to forelegs. Chest of good depth. Back straight. Hindquarters muscular with moderate angulation. Moved a little close behind.

OB (2) 1 Holmes' Lisjovia Emilio. 2 yrs. Well balanced with strong feminine head in proportion to body. Skull slightly curved and of good width and length. Slight stop and strong muzzle. Well filled below expressive dark eyes. Ears set well, lying flat. Good mouth and dentition. Clean strong neck. Well laid shoulders with moderate angulation to upper arm. Sufficient bone and muscle to straight forelegs. Chest broad and of good depth. Muscular straight back. Moderate angulation to muscular hindquarters. Well set tail. Moved well showing drive from rear. RBB. 2 Pollard's Gilladant Xmas Spice. Two and a half yrs. Another well balanced bitch with pleasing feminine head of good proportions. Dark almond-shaped eyes and well set ears. Good mouth and dentition but lips a little untidy. Well boned forequarters with moderate angulation and straight forelegs. Back level and of good length. Muscular hindquarters with sufficient angulation. Moved well.

Sp Beginners B (2,1) 1 Kennedy's Shuangxi Mopsa Kai En Hui.
