

Judges' Update

If you are a judge of Pyrenean Mountain Dogs and your name is included in the PMDC of GB Judges' List, please could you check that your contact details are up to date (including email address). If your details are incorrect, please contact the Webmaster, at barry.denyer@btopenworld.com.

The Kennel Club are introducing a Judges' Competency Framework that will, ultimately, require all judges who wish to continue to receive appointments, to register with the KC Academy. The Framework will 'go live' on 1st January 2019, at which point Judges can and will be selected for General Canine Society Show appointments using an online system provided by the Kennel Club. However, there will be a transition period (until 31st December 2021), during which the current Judges' List will continue to be valid. It is, therefore, essential that all judges appear on the correct Judges' List A1/A2/A3, B and C. If you wish to continue to receive appointments to judge Pyrenean Mountain Dogs, please could you verify that your name appears on the correct List. If your name appears on the wrong list, please contact the PMDC of GB Secretary at pmdcofgb@gmail.com.

Details of the criteria for each List can be found at <http://www.pmdc.org.uk/judges.htm>
